

## Serve The World Through Missions In

### SEPTEMBER

This year, the Market Street Mission will sponsor its **thirty second** annual ***MSM Coat Giveaway*** at the Morristown Green in November. They will distribute the collected coats to those in need in our community and surrounding areas.

Please consider donating gently used or new winter coats (please NO wind breakers, rain jackets, or sweaters). Especially needed are men's coats, and men's and women's sizes 2x-3x. We are also collecting NEW homemade or purchased hats, scarves, and gloves. Smaller sized coats/items will be donated to clients at the Co-op. Donations can be left in the Ebbe Food Bin located in the narthex through the end of October.

**Coming in October.....Go Live Love Gifts** for children in Costa Rica

through Rice and Beans Ministries. This year's campaign brings something new. Instead of boxes we will be filling backpacks with a specific list of items and a whole lot of love, of course! For more information please contact Linda Cargo at [cargoph@aol.com](mailto:cargoph@aol.com)
